**TIME: Saturday, 9:30 A.M.**

**Place: Arlanza Family Health Center  
(Enter at right side of building)  
8856 Arlington Avenue  
Riverside, CA 92503**

## **I INTRODUCTION. Ana Garver, Chair**

**AIM OF AREA BOARD #12:** Area Board shall protect and advocate the rights of all persons in the area with developmental disabilities. The Area Board shall promote the rights of persons with developmental disabilities to live, learn, work, and play in their communities with people without disabilities with supports and assistance necessary to benefit from being in typical community environments. The Area Board shall promote to people with developmental disabilities services, which are continuously improving in quality. Such services should be inconspicuous, and controlled by the user—with supports as necessary—who is responsible and accountable for the resources used to provide the services. The Area Board shall promote the empowerment of all persons with developmental disabilities, and their families, friends, and service providers, in the accomplishments of their individual goals and objectives. The Area Board shall promote beneficial interdependent relationships among people with developmental disabilities and their family, friends and community.

Aim.frm  
Adopted  
12/10/94  
(chgs 10.31.98)

## **\*Added Agenda Items VI A1. b) (1) and VIII A. June 6, 2006**

Pursuant to Government Code Sections 11123.1 and 11125(f), individuals with disabilities who require accessible alternative formats of the agenda and related meeting materials and/or auxiliary aids/services to participate in the meeting, should contact Ace Atkinson, at the Area Board 12 Office by Phone: 800-962-8073 or Email: [contactus@areaboard12.com](mailto:contactus@areaboard12.com). Requests must be received by 5:00PM, on Monday, June 12, 2006.

**NOTICE:** Members of the public are afforded an opportunity to speak for five minutes on any listed item. People wanting to speak should raise their hand, stand, or submit a written request in order to be recognized by the Chair. Matters not on the agenda and under "Public Participation" may not be acted upon at this meeting.

## **II. APPROVAL OF THE AGENDA**

A. The Area Board may deviate among agenda items to meet the Board's and its guest's needs as necessary.

## **III. PRESENTATION**

A. Fetal Alcohol Spectrum Disorder. The ARC Riverside will make a presentation about the possible consequences for children born to mothers who drink alcoholic beverages during pregnancy. ARC Riverside presenters will also provide information about the NineZero Project (9 months with zero alcohol) a prevention campaign aimed at women in their childbearing years with an emphasis on teenagers to women approximately 24 years old.

B. DRAFT 2007-2011 STATE PLAN for Public Review and Comment. The State Council on Developmental Disabilities is asking people if this PLAN is what the Council should work on for the next five years? Copies of the draft PLAN, a self-advocate summary and survey are on the Council website at [www.sccd.ca.gov](http://www.sccd.ca.gov), or call the Council Office (toll-free) at 1-866-802-0514. The Area Board will also have for review the State Council's Key Goals and Objectives. Janet Eaton, State Council Planning and Program Specialist will present and answer questions about the PLAN.

## **IV. PUBLIC PARTICIPATION**

A. The public is invited to make input to the Area Board. This forum is available for the public to express needs, facts, and feelings about services related to the welfare of persons with developmental disabilities.

1. Consumer Input. People with developmental disabilities are especially welcome to speak before the board
2. Other input

## **V. APPROVAL OF THE MINUTES**

- A. February 11, 2006
- B. April 29, 2006

## **VI. OLD BUSINESS/NEW BUSINESS/ANNOUNCEMENTS**

A. Three Phases in the Development of Services for People with Disabilities: Institutional Reform Period, Deinstitutionalization Period, and Community Membership Period.

1. Education
  - a) Report Card. Persons with disabilities (and/or their parents) are invited to speak about their successes or failures in having their individual education plans implemented in general education classrooms.
  - b) School Districts are welcome to report on their successes in supporting, assisting, adapting, and modifying educational services for students with developmental disabilities to have their individual educational plans implemented in general educational classrooms.

(1) Murrieta Valley Unified School District. This School District is planning on building a \$10 million mini-campus dedicated to students with severe special education needs. They plan to bus kids there from all over the district. The Area Board may consider action that would change the District's plans.

2. Other

B. Systemic Best Practices for Community Inclusion: The Area Board invites the public to make input on what services, supports, adaptations, and modifications, are needed in Area 12 in order for people with developmental disabilities to live, learn, work and play in their communities with people without disabilities with supports and assistance necessary to benefit from being in typical community environments
